**Re: *Michael Curtis – United Laguna Hills Mutual***

Dear Mr. Hart:

As you know, this office represents Michael Curtis. On Mr. Curtis' behalf, I am writing concerning several issues related to the Recall Election Balloting currently taking place for the Board of Directors of United Laguna Hills Mutual (hereinafter "United").

First, it is my understanding that numerous ballots have been returned by the United States Postal Service as undeliverable. Please provide me with the total number of ballots that have been returned as undeliverable. Also, please provide the name and address of the person(s) to whom these undeliverable ballots were originally sent.

Second, please provide me with the protocol being used by the inspector of elections for dealing with the undeliverable ballots. Are they being logged on a daily basis? Where are the undelivered ballots being stored? Who has access to the undelivered ballots? What steps are being taken to insure that the undelivered ballots are not being misused or tampered with?

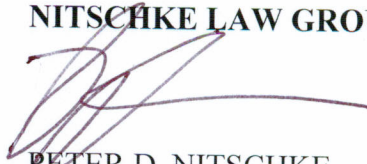

Finally, please provide me with the protocol being used by the inspector of elections for handling the ballots that have been returned and voted. Are these ballots being kept in a post office box until the final day of the balloting? If not, where are they being maintained? What steps are being taken to maintain the integrity of the ballots?
